

# Buy Dirt (feat. Luke Bryan)

Jordan Davis

(feat. Luke Bryan)

Few days before he turned 80  
He was sitting out back in a rocker  
He said, what you been up to lately  
I told him chasing a dollar  
And in between sips of coffee  
He poured this wisdom out  
Said if you want my two cents on making a dollar count

Buy dirt  
Find the one you can't live without  
Get a ring, let your knee hit the ground  
Do what you love but call it work  
And throw a little money in the plate at church  
Send some prayers up and your roots down deep  
Add a few limbs to your family tree  
And watch their pencils marks  
And the grass in the yard  
All grow up  
'Cause the truth about it is  
It all goes by real quick  
You can't buy happiness  
But you can buy dirt

Before you get caught on that ladder  
Let me tell you what it's all about  
Find you a few things that matter  
That you can put a fence around  
And then he laid it out

Buy dirt  
Find the one you can't live without  
Get ring, let your knee hit the ground  
Do what you love but call it work  
And throw a little money in the plate at church  
Send some prayers up and your roots down deep  
And add a few limbs to your family tree  
And watch their pencils marks  
And the grass in the yard  
All grow up  
'Cause the truth about it is  
It all goes by real quick

You can't buy happiness  
But you can buy dirt

You can buy dirt

And thank the good Lord for it  
'Cause He ain't makin' any more of it

Buy dirt

Find the one you can't live without  
Get ring, let your knee hit the ground  
Do what you love but call it work  
And throw a little money in the plate at church  
Send some prayers up and your roots down deep  
Add a few limbs to your family tree  
Watch their pencils marks  
And the grass in the yard  
All grow up  
'Cause the truth about it is  
It all goes by real quick  
You can't buy happiness  
But you can buy dirt
