

# If You Want Love

NF

I just need some time, I'm tryna think straight  
I just need a moment in my own space  
Ask me how I'm doin', I say "okay"  
Yeah, but ain't that what we all say?  
Sometimes I think back to the old days  
In the pointless conversations with the old me  
Yeah, back when my momma used to hold me  
I wish somebody woulda told me If you want love, you gon' have to go through the pain  
If you want love, you gon' have to learn how to change  
If you want trust, you gon' have to give some away  
If you want love, if you want love  
Look, as a kid I used to think life  
Is moving so slow, I watch it go by  
Look out the window on my bus ride  
I thought the world was so small, through my closed eyes  
I've always tried to control things  
In the end that's what controls me  
Maybe that's why I'm controllin'  
I wish somebody woulda told me If you want love, you gon' have to go through the pain  
If you want love, you gon' have to learn how to change  
If you want trust, you gon' have to give some away  
If you want love, if you want love The older I get, I feel like I'm always tryna save time  
Talkin' to the voices in my head, they make me think twice  
Tellin' me it doesn't mean it's wrong because it feels right  
I'm scared that one day I wake up and wonder where the time go  
Talk about the past like it's the present while I rock slow  
I'll sit in the living room and laugh with kids of my own  
And tell 'em  
If you want love, you gon' have to go through the pain  
I wish you woulda told me  
If you want love, you gon' have to learn how to change  
I wish somebody woulda told me  
If you want trust, you gon' have to give some away  
You gon' have to give  
If you want love, if you want love  
If you want love, if you want love
