

If I Didn't Love You

Jason Aldean & Carrie Underwood

I wouldn't mind being alone
I wouldn't keep checking my phone
Wouldn't take the long way home
Just to drive myself crazy
I wouldn't be losing sleep
Remembering everything
Everything you said to me
Like I'm doing lately

You, you wouldn't be all
All that I want
Baby I could let go

If I didn't love you I'd be good by now
I'd be better than barely getting by somehow
Yeah it would be easy not miss you
Wonder about who's with you
Turn the want you off
Whenever I want too
If I didn't love you
If I didn't love you

I wouldn't still cry sometimes
Wouldn't have to fake a smile
Play it off and tell a lie
When somebody asked how I've been
I'd try to find someone new
It should be something I can do
Baby if it weren't for you
I wouldn't be in the state that I'm in

Yeah you
You wouldn't be all
All that I want
Baby I could let go

If I didn't love you I'd be good by now
I'd be better than barely getting by somehow
Yeah it would be easy not miss you
Wonder about who's with you
Turn the want you off
Whenever I want too
If I didn't love you

If I didn't love you
If I didn't love you

It wouldn't be so hard to see you
Know how much I need you
Wouldn't hate that I still feel like I do
If I didn't love you

If I didn't love you
If I didn't love you

If I didn't love you I'd be good by now
I'd be better than barely getting by somehow

Yeah it would be easy not miss you
Wonder about who's with you
Turn the want you off
Whenever I want too
If I didn't love you
If I didn't love you
If I didn't love you

If I didn't love you
If I didn't love you
If I didn't love you
